

Match Maker – Open Reservations

Match Maker Open Reservations are a way to create a court reservation which other players can find and join. There are a couple of opportunities which come to mind.

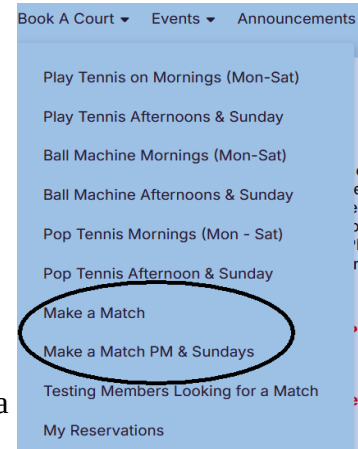

- You are new to the club and looking for a match
- You have two or three players and are looking for a fourth and your list of players are tapped out
- You are a singles player and looking for a match

My guess is you are going to find other uses.

These reservation types are unique. So, we have a pair of special schedulers for it. After Logging into CourtReserve, click on Book a Court.

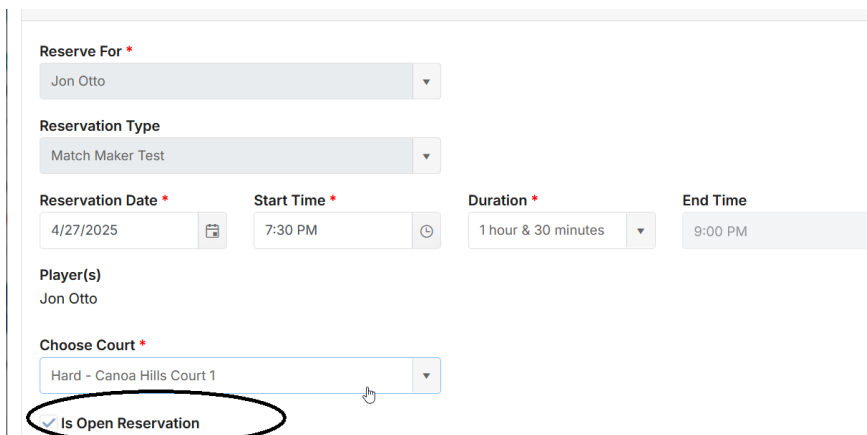

Look for the Make a Match Schedulers. One in the Morning, one in the Afternoon and Sundays.

These reservations will become available a day later than our normal Reservations. 6 days out at 4:30 pm. The nod goes to the standard reservations and are only available at our smaller venues which have a lower demand. Las Campanas, Canoa Hills, East Center and Madera Vista

Bring up the time and date you wish to play in the scheduler for the time of day you wish to play. In the afternoon or Sunday scheduler, Set your time to 30, 60 or 90 minutes.

THEN Look for the Open Reservation check box in the lower Left Corner

After you select the time settings for the duration of your match,

Check on the

“Is Open Reservation” check box – or you will get a plain old court reservation and no one will find you.

THEN you will get an expanded set up screen to allow you to specify the match you are trying to set up.
